TECHNICAL PROJECTS

Portfolio

- Crafted an visually pleasing and responsive portfolio website by using React, Tailwind, and JavaScript.
- Created a sleek and engaging user interface featuring both light and dark themes, providing an elegant showcase for my skills and projects.
- Used Git for version control and Github for hosting the site.
- **Link :** salahuddin3676.github.io/portfolio

Interior Design Service

- Developed this fully responsive and visually stunning interior design service website, using React.js, HTML, Tailwind CSS and JavaScript
- Used Git for version control and Github for hosting the site.
